REMARKS

25 Enclosed is a write protected floppy diskette with the

5 paper copy printout of the diskette is attached thereto.

I hereby state the informational contents of the paper and  
computer readable copies of the Sequence Listing, submitted in  
accordance with 37 CFR 1.821(c) and (e), respectively, are  
believed to be the same. This submission introduces no new  
10 matter, since enclosed sequences are the same as sequences which  
were submitted in priority documents.

enclosed items are a bona fide effort to bring the present

respectfully request notification of specific deficiencies and  
an opportunity for remedy, as described in 37 CFR 1.135(c).

20 Applicants believe that no fees are required; however, if  
any fees are required by the present Response, the Commissioner  
is authorized to charge any fees or credit any overpayment to
